Five mistakes to spot!

This week, tintin.com invites you to step back in time with a classic game, published in December 1968 in the German daily newspaper *Hamburger Abendblatt*. The idea is simple: look closely at the pictures and try to spot the five mistakes that have crept into the one on the right. Can you find them?

Who said this?

This quote, taken from a *Jo, Zette and Jocko* adventure, has been completely encrypted. And that is a real shame, as it proves crucial to the rest of the story...

To help the protagonists, study the code carefully, then complete it using logic and deduction—before cracking the mystery and identifying the character who spoke the words.
